

abcde width = 55.666 height = 20.26

The diagram illustrates the evolution of a number from 0 to 3 using blocks and circles. It consists of seven stages:

- 0:** A single block labeled '0'.
- 1:** A single block labeled '1'.
- 2:** Two blocks labeled '2'.
- 2.1:** Two blocks labeled '2.1'.
- 2.2:** Two blocks labeled '2.2'.
- 3:** Three blocks labeled '3'.

The blocks are arranged in a sequence, with the number '0' at the top left and the number '3' at the bottom right. The blocks are labeled with their respective values, and the circles are labeled with their respective values. The blocks are arranged in a sequence, with the number '0' at the top left and the number '3' at the bottom right. The blocks are labeled with their respective values, and the circles are labeled with their respective values.
